## **Our Veterinary Services**

Guernsey Vets4Pets Centre provides a comprehensive range of veterinary treatments from vaccinations, neutering, general health care and advice to the more specialised services of intensive care medicine and surgical procedures. Guernsey Vets4Pets Centre provides facilities to investigate and diagnose all types of problems - enabling us to speed your family member on the road to recovery. Guernsey Vets4Pets Centre is staffed by a team of highly qualified and well experienced Veterinary Surgeon Partners and Veterinary Nurses who have been selected for their clinical ability and caring approach. We are happy to give advice on the telephone and to provide estimates of costs for any of the procedures we may suggest for your pet.

Our objective is to provide the best of care and preventative medicine to keep your pet happy and healthy for a full and enjoyable life and, if illness should strike, then the dedicated team at your Guernsey Vets4Pets Centre will be there to rely on.

For full information on any pet care matters please feel free to contact [Guernsey Vets4Pets Centre](#).

(Please note all consultations are by appointments only.)
