Part-time/Full-time Veterinary Surgeon - Salary Negotiable

Want something exclusive?

How does living tax free in a local community of 60,000 surrounded by white sand away from the stresses of mainland UK? Our practice located on the beautiful island of Guernsey is looking for a talented Veterinary Surgeon.

The right candidate should have a positive attitude and a good sense of humour who enjoys working as part of a multi-skilled team and is looking for the opportunity to develop their own clinical portfolio. The package includes a basic salary plus a minimum £1,500 annual CPD budget. In return we ask for a minimum of a year post graduate experience in commercial small animal practice. The opportunity of becoming a Partner of the practice within 24 months is also a possibility.

So if you want to work in a RCVS accredited purpose built professional practice surrounded by the serenity of island life, with a good team helping to develop your clinical and commercial skills, please apply in writing to Les Van Blerk at the address below or email: les.van.blerk@guernseyvets4pets.co.uk
